## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Dickinson Area Community Foundation  
Iron Mountain, Michigan

We have audited the accompanying financial statements of the **DICKINSON AREA COMMUNITY FOUNDATION** (a nonprofit organization), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

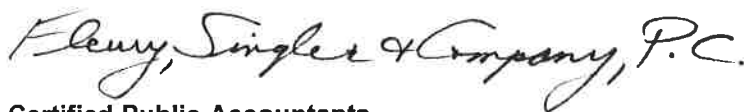

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide the basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the **DICKINSON AREA COMMUNITY FOUNDATION** as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# DICKINSON AREA COMMUNITY FOUNDATION

## NOTES TO FINANCIAL STATEMENTS

---

### NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Operations**

The Dickinson Area Community Foundation ("Foundation") is a public, nonprofit organization that encourages philanthropic investment in Dickinson County, Michigan and the surrounding area by accumulating and managing funds and utilizing the income to support charitable activities within guidelines set forth in various grant and scholarship fund agreements. The Foundation generates the majority of its income from investments and endowed contributions.

In 2016, the Foundation applied for and received National Standards accreditation from the Council on Foundations which is valid for a five-year period.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Cash**

The Foundation maintains cash balances at several banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation to a maximum of \$250,000.

#### **Risks and Uncertainties**

The Foundation utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

#### **Financial Statement Presentation**

The Foundation reports information regarding its financial position and activities according to three classes of net assets - unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

#### **Contributions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

#### **Equipment**

Donations of equipment are recorded as support at their estimated fair value. It is the Foundation's policy to capitalize all equipment purchased or donated with a fair market value of \$500 or more. Such donations are reported as unrestricted support unless the donor has restricted the donated asset for a specific purpose. Absent donor stipulations regarding how long those donated assets must be maintained, the Foundation does not imply a time restriction and reports the gifts as unrestricted support when the assets are placed in service. Equipment is depreciated using straight-line and accelerated methods over estimated useful lives. Purchased equipment is stated at cost.

#### **Investment Securities**

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position as further described in Note F. Unrealized gains and losses are included in the change in net assets. All of the Foundation's investments had readily available fair market values at December 31, 2016, which were determined by a bank trust department and an investment company.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Income Tax Status

The Foundation is a not-for-profit organization other than a private foundation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision has been made for income taxes.

The Organization's Forms 990, Return of Organization Exempt from Tax, are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

#### New Accounting Standard

The Organization adopted FASB ASU 2015-12, Plan Accounting, relating to investment disclosures. There was no material impact on the Foundation's results of operations or financial condition upon adoption of the new standard.

### NOTE B - UNRESTRICTED NET ASSETS

Unrestricted net assets has been improved at December 31, 2016 by the increase in fair market value of the investments in the endowed funds that were below their permanently restricted basis. The aggregate amount of this depreciation at December 31, 2016 is \$1,335.

### NOTE C - TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consist of accumulated earnings on the permanently endowed funds that are restricted until awarded as grants or scholarships. These grants and scholarships are awarded by the Foundation under the terms of the fund agreements. These assets will be reclassified as unrestricted net assets in the period they are awarded.

### NOTE D - PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets consist of investments in perpetuity, the income from which is expendable to support programs as stipulated by a given fund's agreement. The Foundation managed 75 scholarship, grant and administrative agreements during 2016.

### NOTE E - COMMITMENTS

The Foundation has awarded a number of scholarships that are renewable for four years, if the recipient has maintained certain academic standards. The liability for payment of these scholarships has not been included in the financial statements due to the uncertainties of maintaining these standards. The potential scholarship commitments in future years are as follows:

Due in 2017	\$	131,207
Due in 2018 through 2020		<u>27,223</u>
<b>Total commitments at December 31, 2016</b>	<b>\$</b>	<b><u>158,430</u></b>

### NOTE F - INVESTMENT SECURITIES

The majority of the Foundation's investments are managed by a bank trust department. Two donors have stipulated that their gifts be managed by an investment company. Money market, fixed income and equity investments are not federally insured. Investments consist of the following which are provided by the trust department and investment company:

	<u>Cost</u>	<u>Unrealized Gain (Loss)</u>	<u>Fair Value</u>
Money market funds	\$ 1,156,948	\$ -	\$ 1,156,948
Fixed income	2,468,202	(51,018)	2,417,184
Equity	<u>4,460,274</u>	<u>713,648</u>	<u>5,173,922</u>
<b>Totals</b>	<b><u>\$ 8,085,424</u></b>	<b><u>\$ 662,630</u></b>	<b><u>\$ 8,748,054</u></b>

## **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

### **NOTE F - INVESTMENT SECURITIES (CONTINUED)**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of significant other observable inputs (including quoted prices for similar assets in active markets), and Level 3 inputs consist of significant unobservable inputs and have the lowest priority.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2016.

*Level 1 Fair Value Measurements* - These assets include stocks, bonds and mutual funds for which a quoted market price is available in an active market.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Foundation's investments at fair value as of December 31, 2016:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Corporate bonds	\$ 1,124,226	\$ 1,124,226	\$ -	\$ -
U.S. obligations bonds	158,274	158,274	-	-
Common stock	2,682,628	2,682,628	-	-
Mutual funds	3,625,977	3,625,977	-	-
<b>Totals</b>	<b>\$ 7,591,105</b>	<b>\$ 7,591,105</b>	<b>\$ -</b>	<b>\$ -</b>

### **NOTE G - ENDOWMENT FUNDS**

The Foundation's endowed funds are governed by gift instruments and specific agreements with the Foundation.

The State of Michigan has adopted the Uniform Prudent Management of Institutional Funds Act (UPMIFA). The Foundation's board of directors has interpreted Michigan's enacted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of the donor imposed provisions, permanently restricted net assets represent the fair value of the original gifts as of the gift date and the original value of subsequent gifts to the donor-restricted endowment funds. The remaining portion of the donor-restricted endowment funds that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed in UPMIFA.

The Foundation has adopted investment and spending policies for endowed assets that attempt to develop an asset base in which the total investment return is sufficient to support the basic operations of the Foundation.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### NOTE G - ENDOWMENT FUNDS (CONTINUED)

The investment policy emphasizes growth over the long term with a balanced approach targeting allocations of 10-50% fixed income, 35-75% equities, 0-25% real assets, 0-10% alternative strategies and 0-20% cash equivalents. Each category has its own set of guidelines.

The spending policy calculates the amount available for spending using 4% of the 12-quarter rolling average as long as the distribution does not invade principal, unless specified in the underlying document. Scholarship, agency and field of interest grant allocations for the upcoming year are reviewed in the fourth quarter each year using June 30th fund balances.

The composition of endowed net assets and the changes in endowed net assets for the year are as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Endowed net assets, January 1, 2016	\$ (98,006)	\$ 678,604	\$ 7,709,258	\$ 8,289,856
Investment income	-	170,940	-	170,940
Net realized and unrealized gain	96,671	336,357	-	433,028
Contributions	-	-	202,089	202,089
Investment and administrative fees and expenses	-	(163,203)	-	(163,203)
Grants and scholarships	-	(184,656)	-	(184,656)
<b>Endowed net assets, December 31, 2016</b>	<b>\$ (1,335)</b>	<b>\$ 838,042</b>	<b>\$ 7,911,347</b>	<b>\$ 8,748,054</b>

All endowed funds are donor restricted endowment funds.

### NOTE H - LEASES

The Foundation leases office space and equipment under operating leases. Rental expense under these leases totaled \$5,130 for 2016.

Future minimum lease payments under operating leases with terms over one year are as follows:

2017	\$ 4,906
2018	4,906
2019	4,906
2020	1,905
2021	761
<b>Total</b>	<b>\$ 17,384</b>

### NOTE I - FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated between program services, fundraising and administrative.

### NOTE J - RELATED PARTY TRANSACTIONS

Donations totaling approximately \$4,500 were made to the Foundation by board and committee members.

## **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

---

### **NOTE K - CHARITABLE REMAINDER TRUST**

The Foundation has been named as the remainder beneficiary of a charitable remainder trust. The amount of this donation is not determinable at this time and is not included in revenues or assets of the Foundation. In accordance with the Financial Accounting Standards Board, this amount will not be recognized as revenue or assets until it becomes irrevocable upon the death of the donors, when its value becomes fixed and determinable.

### **NOTE L - SUBSEQUENT EVENTS**

Management has evaluated events and transactions for potential recognition or recognition or disclosure through the date of the accompanying independent auditor's report, which is the date the financial statements were available to be issued.
